Habitat for Humanity York Street townhomes completed in the West End in 2025.

About Habitat Homes

- Habitat is building 8 new-construction homes for purchase on Baymiller, Findlay, and York Streets.
- These will be a mix of attached, single-family townhomes and one detached, single family home.
- Variety of home models will be available ranging from 2-4 bedrooms.
- Home details will be available on our website during open application periods.
- Located just minutes away from Findlay Market, TQL Stadium, and downtown Cincinnati!
